Mr. Bauman L. Beldan

Director

American Numismatic Society

My dear Sir -

I write on behalf of my
father Mr. Isaac J. Greenwood,
who has received your
letter of July 18th accepting
on behalf of the Numismatic
Society this collection of coins
and books on that subject.

Mr Greenwood is pleased
that you consider that
there will be an addition
to the collections of the
Society and he only
regrets that his long
years of ill health have
prevented him from
sorting and arranging
the coins as he hoped
to do many years ago.

It will take me a few
days to gather the things
together and pack them.

May I ask you to let me
know if they can be delivered
at the Society building at any
time, we shall I notify you
further when they are ready
to send.

Very truly yours
Mary M. Greenwood

July 27, 1911.

Miss Mary M. Greenwood,

My dear Madam:

Your kind letter of July 25th would have been answered sooner had I not been away the last couple of days.

The coins, books and cabinets can be sent here at any time that is convenient to you, and I will leave word that they are expected so that they will be taken care of, in case I should be absent when they come, it is not necessary to send word when they are ready to send.

Please remember me very kindly to Mr. Greenwood, and believe me,

Very sincerely yours,

Dear Miss Greenwood:-

Thank you for your note stating that you have not received a bill for the Prince of Wales medal. I am enclosing one herewith.

I had hoped to have an evening free before this but I am planning to leave for Boston Saturday, and the extra work in connection with preparing for it has prevented my coming. I have an interesting satirical medal for you if you want it after seeing it, and I shall hope to bring you an account of my experiences at Mrs. Garrison's after I return the latter part of next week.

I trust that both you and your sister are in good health.

Very respectfully yours,

Dear Mr. Hol -

should like to have

Dear Miss Greenwood:-

I am enclosing a receipt for your medal in order that you may have a record of the transaction.

On thinking over the inscription it came to me that the one dated 1890 must have some reference to a subject of the former emperor at his accession. As for the other side the rock labelled "The German Republic" seems intended as a symbol of the reason why His Majesty should R.I.R. at Amsterdam. This would make it necessary to identify the gentleman who is guiding it into place as an official of the Republic rather than the ex-emperor. When the next catalogue comes from Amsterdam we shall see whether this suggestion is confirmed.

I am planning to be in New Brunswick Sunday and shall very gladly bear your greetings.

Very respectfully yours,

Secretary.

November 2nd, 1921.

Dear Miss Greenwood:-

Your letter came this morning. We have none of the medals you specify on hand, but we do keep a list of our members who desire the medals which we have issued, and when they appear in auction sales we bid for them up to the publication price. This, you will see, enables us to keep the price of our medals up to that of publication as well as helping those who desire them get the pieces they want. It is just possible I may be able to secure the Cardinal Mercier medal for you.

I am entering your order for one of the Koch medals in bronze.

I am looking forward to seeing you soon, and with cordial regards to your sister and yourself, I am,

Very sincerely yours,

Secretary.

Dear Miss Greenwood:

In response to your note of last week, I am sorry to have to write that the Theodore S. Vall Medal is awarded by the American Helminthological Society and, therefore, unsuitable for collectors. They have very considerably given specimens to our Museum, and I shall be glad to show them to you when you come again.

As for the Vorden Medal, Plummer recently offered a specimen to the Museum for our collection, but as he asked \$40.00 for it, we declined. I trust that we will be able to make this offer to any other than museums.

Dear Miss Greenwood:

Some time ago you told me that you would like to have any of our medals relating to the War, and I am not sure whether you obtained one commemorating the visit of the British and French War Commissions in 1917 - the obverse by Mr. French and the reverse by Miss Lorgan. We have recently received a silver copy which I should be glad to place at your disposal if you desire one in silver. The price is ten Dollars.
